February 5, 2023

Dear Spartan Family,

I hope that you are as anxious and excited for the 2023 Season as I am. There is no sport in the world with as much “fun” attached to it than the sport of football. Each year, I can hardly wait for the next season to begin.

It is my greatest honor to be your new Head Football Coach. I am excited about the opportunity to help lead this program to greater heights. I am also excited about you. You are vital to the success of this program, and we need your full support.

I am confident that we are about to embark on a great journey here at Campbell High School. It will be tough, as the competition will be very good; however, with the emphasis on weightlifting, discipline, attitude, and effort we should not only win games here at Campbell but start making a push at a championship.

No words can express how excited and grateful I am for the opportunity that the administration at Campbell High School has given me and my family. I quickly recognized that excitement and passion that this great school brings, and I would like to assure you that we will do everything in our power to achieve greatness. I look forward to meeting every player, his parents/guardians, and his entire family in the weeks to come.

In conclusion, I can’t wait to begin this journey together. I am looking forward to impacting our young men’s lives and improving the current state of the football program.

May this be the start of something special.

God Bless You,

Jeff Phillips
